All other access to Rayonier forestland properties in California, Oregon and Washington **remains closed until further notice.** We continue to monitor weather conditions on a regular basis and may decide to open or close forestland properties on an area-by-area basis.

Our primary concern is for the safety of our employees, contractors, customers, neighbors, and those who enjoy our properties. We regret the inconvenience this may cause and appreciate everyone's cooperation to ensure the safety of everyone that may be impacted.
